Comments: You may no longer download a free copy of the Criminal Pattern Jury Instructions from the CLE Alabama site (1994 version). The Alabama Supreme Court committee on criminal pattern jury instructions is currently updating the instructions, but there appears to be no interest in publishing the updated jury instructions in a book form. However, you can find updated jury instructions on the Alabama Supreme Court and State Law Library's website (linked above). Until all the instructions are updated, you may still need to refer to the 1994 edition for jury instructions about some crimes.
